

## 2023 Annual Grant Cycle Scoring Rubric

Question	Scoring Rubric
Total current year annual organizational budget	Less than \$1.5 million = 3 points \$1.5 million - \$5 million = 2 points Over \$5 million = 1 point
Counties Served (select all that apply)	Bernalillo County = 1 point; Sandoval, Valencia, Tarrant or multiple counties = 2 points
Does your organization identify as BIPOC-led (Black, Indigenous and people of color)? (Yes/No)	No = 0; Yes = 1
Does your organization identify as led-by-serving (led by the same community of the population that you serve)? (Yes/No)	No = 0; Yes = 1
General Programming and Activities. Please describe the general programming and activities of your organization and how these activities align with the <a href="#">priorities</a> of the Field-of-Interest in which you are applying.	0-5 (from not aligned to extremely-well aligned)
Access to Economic Opportunities. Please define how your organization provides access to economic opportunities, either through opportunities for individuals living in the Greater ABQ four-county region or through opportunities that will bolster the economic growth of the region. <a href="#">Click here for more information including definitions and examples.</a>	0-2 (not aligned; somewhat aligned; well aligned)
How does your organization measure impact in the community i.e what mechanisms do you have in place to measure impact?	Scoring: 0=no systems in place to measure; 1=minimal systems; 2=many systems.

<p>How do you utilize the information (from the question above) to inform your future work?</p>	<p><i>Evaluation of this question is somewhat subjective and will only be scored if necessary, based on the impact or need of limited grant dollars in relation to organizational budget.</i></p>
<p>How is your organization addressing systemic inequities?</p>	<p>0-5 (from unfamiliar with the terms and no specific equity work ongoing to authentically addressing inequity on many levels and has active equity-specific work ongoing)</p>
<p>Albuquerque Community Foundation has adopted a new set of values that reflect both what we care about today, and what we want to embody and manifest in the future. <a href="#">Please click here to read our values statement.</a> Please describe how your work aligns with these values.</p>	<p>0-4 (0=no alignment with any ACF values, 1=alignment with 1 value, etc.)</p>
<p>Anything else you would like us to know about your work? <i>(optional)</i></p>	<p>Not scored</p>
