

Rooted Together 2026

Albuquerque Community Foundation

Project Name*

Character Limit: 200

1. Place Description*

Please share what neighborhood or community you are partnering with.

- *Evaluators are looking for: a clearly defined neighborhood, including how it came to be, any historical context that shapes its identity today (e.g., redlining, urban renewal, immigration patterns, cultural heritage), and how you came into partnership with this neighborhood.*
- *Strong responses will describe what life looks like in this neighborhood right now. What conditions define it (e.g., economically, socially, physically)? What are residents navigating day to day?*

Character Limit: 2000

2. Project Description*

Please describe the project, including where it will take place. Your response should make reference to the place-based nature of the project and demonstrate what this project will mean to the neighborhood, or why this project is necessary for this neighborhood.

- *Evaluators are looking for: a clearly defined geographic location, a compelling description of why this neighborhood needs this project, and evidence that the project will have a tangible, place-based impact on the people living there.*
- *Strong responses will explain how the project responds to the needs of the neighborhood and articulate the potential to catalyze change for that neighborhood.*

Character Limit: 2000

3. Stage of Development & Budget*

What is your plan to fund this project, and what financial resources or commitments have you secured to date? Please also describe where the project currently stands in its development, including any secured locations, formed coalitions, or other progress already made. Please upload project budget below.
